Dear Sponsored Boater Applicant:

Enclosed please find the Sponsored Boater application for a boat slip at the Clearwater Beach Marina this 2023 boating season. Once a slip is assigned, your assigned number will be mailed to you along with a memo "From the Dockmaster" and the "2023 Rules and Regulations" which specifies requirements for a boater while maintaining a slip at the bulkhead or floating dock. **The slip fee is \$100 per foot with a minimum boat fee for a 20 foot boat.** Your sponsor must have paid a maintenance fee before you can receive a slip assignment and this fee should be paid by February 15, 2023. A copy of your boat registration must be enclosed with your application and payment which should be made by February 15, 2023. Sponsored boat slip assignments are made after member slip assignments. **Please note that all boats must be removed from the marina by November 15, 2023**

**This coming boating season, the CBPOA board is again emphasizing a boat owner's responsibility for caring for his/her boat to avoid mishaps while docked at our marina. Any boat in danger of sinking and requiring a pump out by a marina service, will be billed to the owner. As per NYSDEC, if a boat sinks in any marina, fines may exceed \$25,000.00. Also, any boat that is in danger of doing damage to itself, other boats or the marina ie: ladder, bulkhead, pilings, due to the improper securing of lines, will be billed to the boat owner.**

For the 2023 Boating Season, all boaters who wish to rent a slip at the CBPOA marina, in-addition to the boat application information and a copy of your boat registration, will be required to submit a copy of a Certificate of Insurance (COI). The COI is a one-page document indicating liability, pollution coverage (if required) and CBPOA, PO Box 666, East Hampton NY 11937 as **additional insured**. CBPOA requires the COI as proof of insurance coverage for your boat. Boaters who are utilizing a Homeowner's policy will be required to have a rider added to their policy for pollution liability. This includes all boats regardless of size. Those boats with removable 12 gallon fuel tanks or less will **not** be required to provide proof of **pollution** liability coverage but still must have general liability coverage. No self-insured indications on the application will be accepted. A gate card is also required to gain access to the marina. This requires a \$50 card deposit which is refunded when the card is returned.

**With your sponsor, you are required to completely fill out the boat application and emergency data form. Missing data will result in a returned form and a postponement or non-assignment of a slip.** Thank you for your cooperation and have a safe boating season.

Sincerely,

*Ken Neary*

3. No Discharge Zone. No discharge or discarding of materials of any sort (other than clean, oil-free water) is permitted into the waters of the Marina, Hog Creek or Gardiner's Bay. Any Vessel with a toilet shall have a holding tank and shall have the valve in the locked position and direct all effluent toward the holding tank. Marina violators of the No discharge zone may be evicted or prosecuted. The Licensee shall be responsible for pumping out their holding tanks and shall maintain their bilges in clean condition. In the event of a discharge or spill caused by the Licensee, the Licensee shall be liable for and shall indemnify the Licensor for any cleanup costs, and for any fines or penalties, and the Licensor may assess an additional fine of up to two thousand dollars (\$2,000.00).
4. The Licensee shall have his or her Vessel insured for complete marine coverage, including property and liability, and shall have CBPOA as an additional named insured on the policy and provide Licensor with a certificate of insurance for said policy. In addition, Licensee's Vessel's insurance policy shall provide pollution liability coverage, unless Licensee's Vessel only has one removable 12 gallon or less fuel tank. The Licensee shall provide a copy of such policy and expiration date to the Licensor upon request. The Licensee shall be liable for damage caused to other Vessels in the Marina and for damage caused to the structures or facilities of the Marina, and the Licensee hereby indemnifies the Licensor against all such damage.

The Licensor further reserves the right to request the Licensee to move the subject Vessel from the assigned slip to a safer area during an emergency, as determined by the Licensor. If, at such time, the subject Vessel is unattended, or if the Licensee cannot be reached, the Licensee hereby authorizes the Licensor to take whatever steps it deems necessary to protect subject Vessel, the Marina, CBPOA property, and the Licensee hereby agrees to indemnify and hold the Licensor harmless from any liability, loss or damage caused by or to the subject Vessel which may arise out of or be occasioned by the failure of the Licensee to move the Vessel, the inability of the Licensor to reach the Licensee, the movement of the Vessel by the Licensee or the Licensor, or the Vessel remaining in the assigned slip during this period. Work done to safeguard the Licensee's Vessel during such emergencies may (but is not required to) be performed by Marina personnel or a third-party vendor, and Licensee agrees to pay any charges to Licensor or said vendor for such work.

22. The Licensee agrees to pay the Licensor for any expenses, damages, or fees incurred under this agreement and any fines from government agencies. Licensor shall not be liable for the care or the protection of the boat, including her gear, equipment and contents, or for any loss or damage of whatever kind to the boat, her gear, equipment and contents for any reason whatsoever, including, but not limited to, Licensor's negligence. Licensee has examined the Marina and the boat slip described in this Agreement and accepts the condition of the Marina and boat slip as being adequate and safe for the dockage of his boat. Licensee is responsible for damage to other boats, buildings, fences, dock structures and pilings caused by the boat, Licensee, its family, employees, invitees or agents, or Licensor, its employees, officers and agents, when acting on behalf of the Licensee.
25.
